

ADAM JOHNSTON, PMP, SRA, AI-RRS

Director of Operations, Chief Appraisers
Mortgage Insurance-U.S.
Genworth Financial
Raleigh, North Carolina

Adam Johnston is Director of Operations & Chief Appraiser for Genworth Financial's U.S. mortgage insurance business. In this role, he manages a team of licensed appraisers who provide support to all U.S. mortgage insurance functions. As a Director of Operations at Genworth, Mr. Johnston has led fraud investigation teams, process improvement teams, and business project management. In addition to his 25 years of appraisal experience, Mr. Johnston is a former police officer and served in the United States Marine Corps.

A Certified Residential Appraiser in several states, Mr. Johnston is a designated member of the Appraisal Institute, with the SRA and AI-RRS designations. Beyond his professional appraisal designations, he holds the PMP designation from the Project Management Institute, the CSM and CSPO designations from Scrum Alliance, and obtained a Lean Six Sigma Black Belt credential in process improvement.

Mr. Johnston currently serves on the Board of Trustees of The Appraisal Foundation and was the 2018 Chair of The Appraisal Foundation.
